## Pony Express 1060 Hitch Accessories

### Telescoping Tube Clamps
Mounts under a cart providing the front and rear receiving tube for the hitches.

- **1060-B01**
  For carts 26” to 41” long

- **1060-B02**
  For carts 40” to 55” long

- **1060-B03**
  For carts 56” to 76” long

### Male Hitches
Connects to either end of the telescoping tube clamp (1060-B0X).

- **1060-C01**
  For use with 5” or 6” casters

- **1060-C02**
  For use with 6” or 8” casters

### Female Hitch
1060-A01
Used when pulling more than one cart. Installs into any telescoping tube clamp and connect to any male hitch. Used only between carts.

### Automatic Coupling System

**Rated for Carts Up to 2500 pounds**

Automatic coupling system where either tugger-to-cart or cart-to-cart coupling required. Hitch has guiding system to automatically align bail coupler up for locking. Locking is released by pushing down on hitch with foot. Can be welded to carts or pre-drilled for bolt attachment.
