This unique hauling system provides a safe and secure method for moving up to three polyethylene laundry bin at one time using the Pony Express motorized tugger *without any modifications to the bins* and is compatible with any MOD72P series bin or equivalent. The bin-to-bin hitch can be installed and removed in less than 45 seconds.

[Click here to see a video of this system in action.](#)

---

**CART-TO-CART HITCHING SYSTEM**

**Automatic Coupling System**
Automatic coupling system where either tugger-to-cart or cart-to-cart coupling required. Hitch has guiding system to automatically align bail coupler up for locking. Locking is released by pushing down on hitch with foot. Can be welded to carts or pre-drilled for bolt attachment.
